-The big picture strategies of managing plant diseases in corn
-Anticipating and identifying diseases at various crop stages, new and upcoming corn diseases to be on the lookout for
- IPM for Successful Weed Management in Corn-** Admit Jhala, Extension Specialist
-Management of herbicide-resistant weeds in corn and discussion about integrating multiple tactics for weed management.
- Year-round Soil Water Management-** Steve Melvin, UNL Extension Educator, Irrigated Cropping Systems
-Learn about managing soil water from a year-round perspective and how off-season precipitation can cause deep percolation more easily in irrigated fields
- Year-round Soil Nitrogen Management & Nitrogen Sources and Stabilizers for Corn-** Jenny Rees, UNL Extension Educator, Water and Cropping Systems
-Managing soil nitrogen from a year-round perspective and understanding potential sources and losses of nitrogen in Nebraska corn fields
-Potential nitrogen losses from leaching and volatilization of different nitrogen sources
- Setting Up & Operating Fertilizer Application Equipment-** Paul Jasa, Biological Systems Engineering
-Equipment to apply different nitrogen fertilizers sources including dry, liquid, and anhydrous ammonia, at high speed and in no-till

Lunch provided by
Grosshans, Aurora

Upper Big Blue NRD Nitrogen Management Certification renewal credit available
CCA Credits Available
1.5-Crop Mgt., 1-Nutr. Mgt., .5-Soil and Water Mgt, 1.5-Pest Mgt

From planting equipment to weeds, from irrigation to pests, weather, nutrients, etc., we've all got a lot to manage to keep our crops growing strong to produce optimal yields and profitability. Nebraska Extension's Corn Production Clinic can help you make those decisions, whether you are a grower, consultant, or industry representative. This one-day, research-based clinic starts at the big picture level and then drills into the issues that are central to making those decisions with the goal of a more profitable corn crop.

Upcoming events:

- Nebraska Soybean Production Clinic- February 15, Central City

WHY HASTINGS?

Hastings College students perform. They're active and involved. Here's two (of many) reasons why that's a **GREAT THING**.

1 Scholarships. Nearly every student gets a "plus one" scholarship. All students get an academic scholarship — then a "plus one" from the group, team or area you're part of.

2 Finding your people. By being part of a group, you get to know others and find people you want to hang out with. It's a great way to meet your biggest cheerleaders and support team—it's what makes college so great.

Plus one scholarship areas include:

- Art
- Athletics (20+ teams)
- Band
- Choir
- Creative Writing
- Esports
- Media
- Speech (forensics)
- Theatre
- Academy of Student Preachers Inspiring Religious Engagement
- Sports Management Internship Program
- Service and Community Engagement

We love to celebrate all the ways you shine — **your experience matters!** In the classroom and in the activities you love to do. **It's the Hastings way.**
